Best - Venus

Col. III off white

Cut Plan 480×400
 $= \underline{\underline{1920m^2}}$

ASK customer if they want to keep this piece?

Cut down with W/H to make it

easier to unload & open out.

All furniture has been removed from room

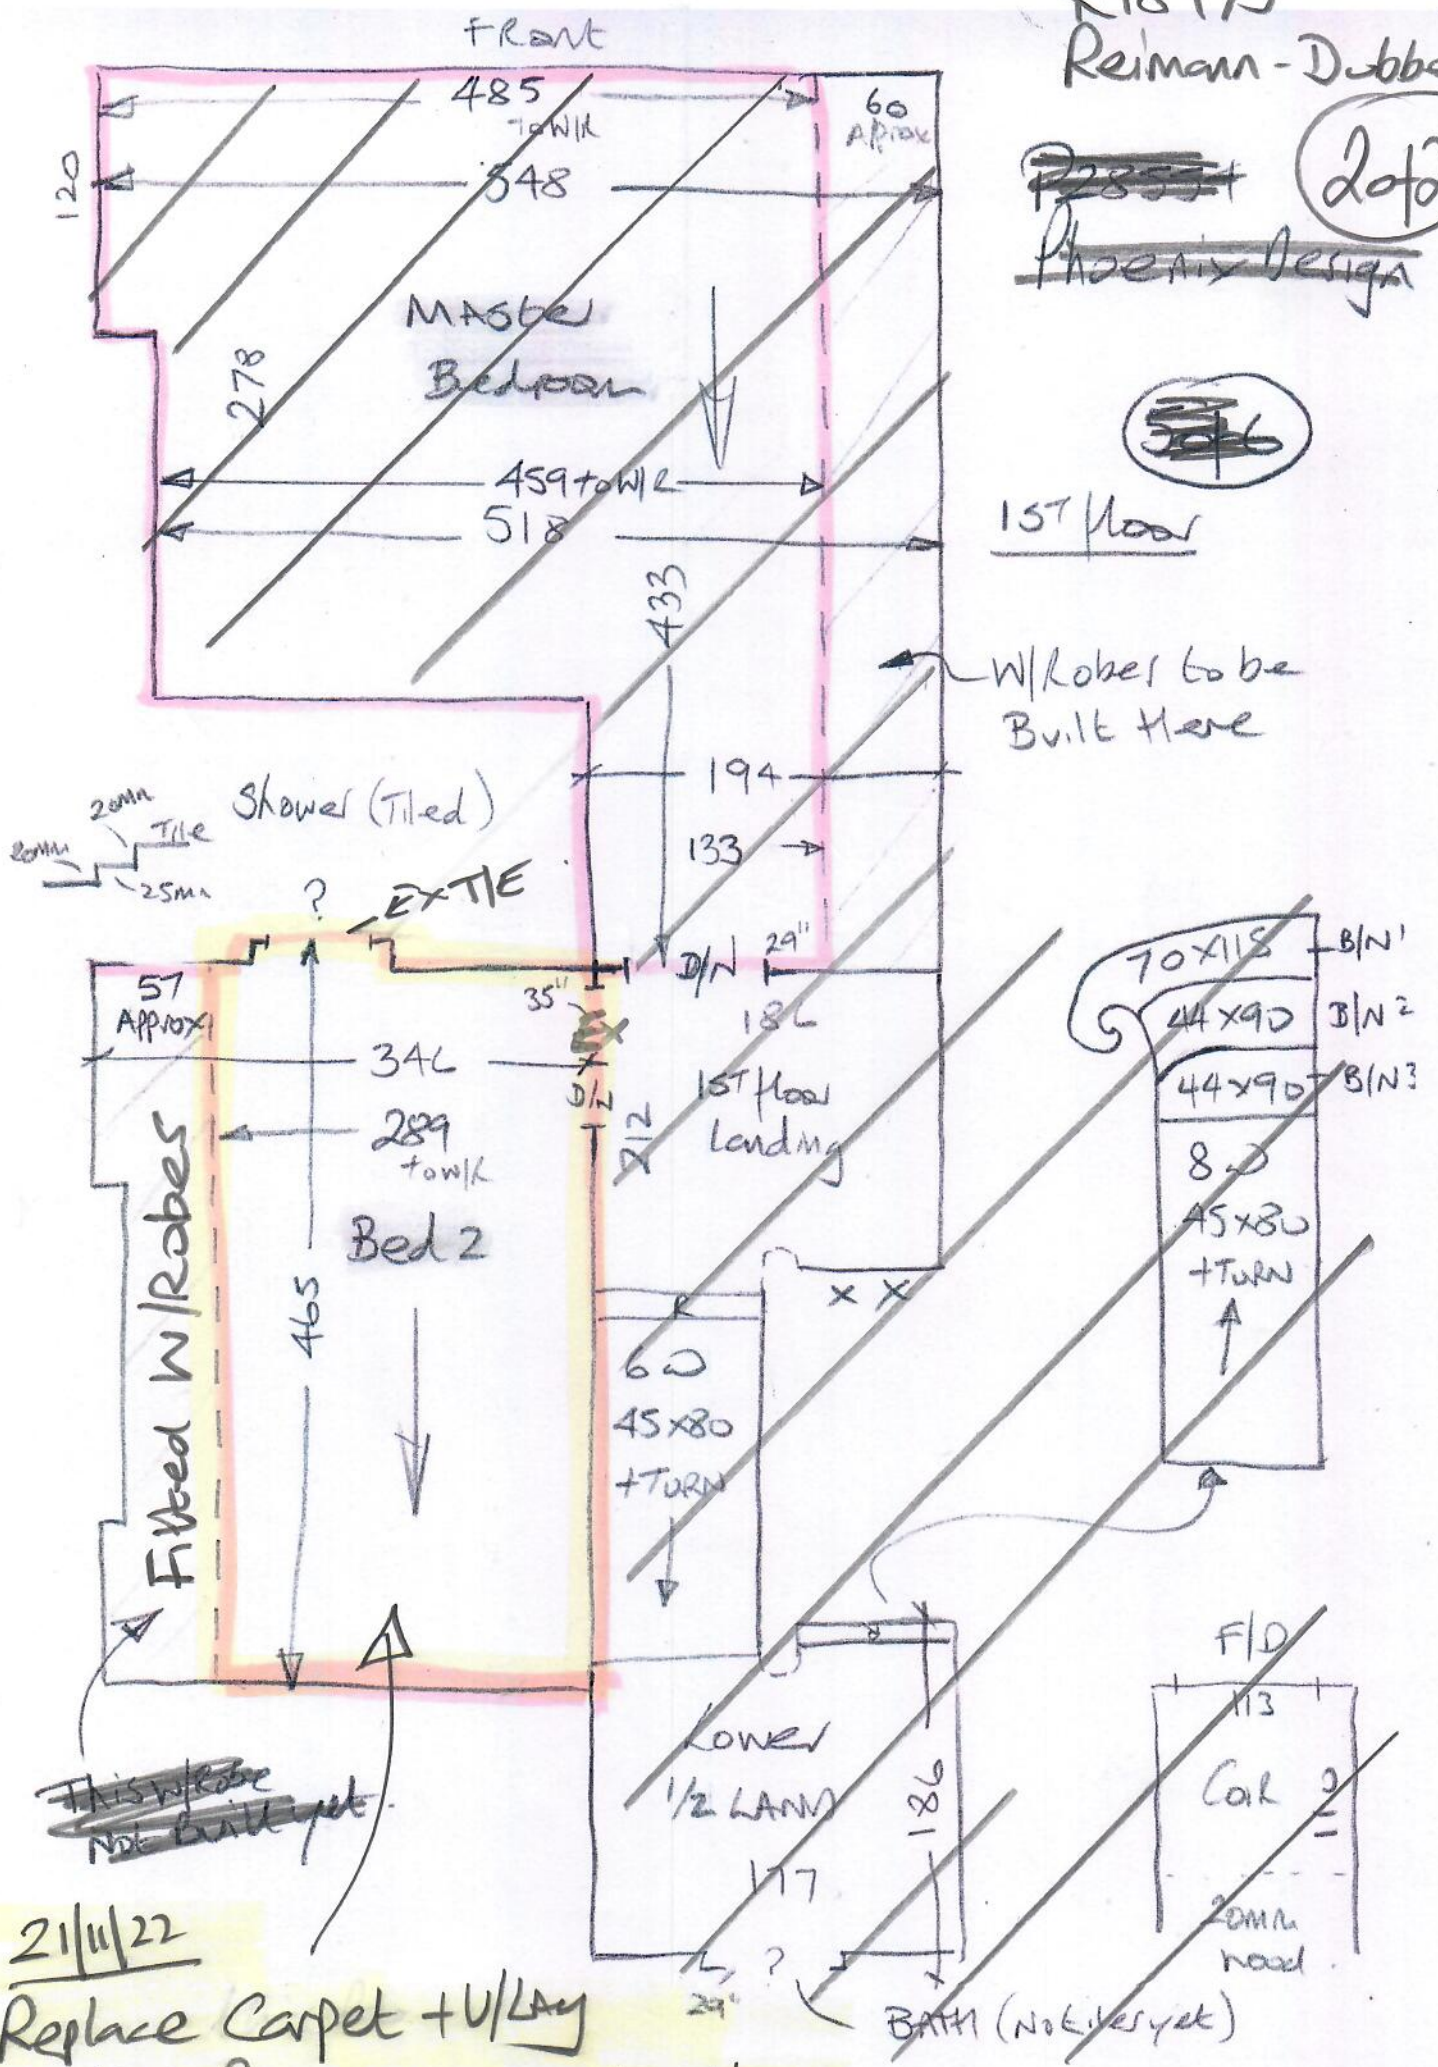

Please be very careful not to damage new wallpaper when opening up the carpets as it's expensive & hard to replace. Many thanks.
