WESTEND - Prestige, Latte 4.30m long by 4.0m wide

Acceptance that we agree to acknowledge 20% handling charge

Due to the carpet being ordered in the wrong width, we at MR CARPETS understand that there will be a handling charge of £138.22 exclusive of VAT for the collection of the above carpet.

Westex Carpets understand that a replacement carpet is required in the same quality, colour and size but in a **5.0m width. As we have no stock, this will require a new production.**

In order to return the carpet to Westex, the following conditions must be agreed to:

- The original piece must be uncut and unfitted
- The original must be tubed and wrapped

Please retain the 2nd part of this document and have the driver sign the form at the time of collection. The form will then need to be returned to Westex. Once this has been received back signed, we will issue the credit for the original piece and invoice the handling charge. If the form is not signed and returned at the time of collection, then the credit and handling charge will be issued once the original piece has been returned to Westex.

Westex must advise that if the carpet is received back in an unsaleable condition, then the full cost of the piece will be re-invoiced to you.

If this document is not signed and returned within 7 working days from the date of the document, we shall assume that you have decided to keep the mentioned carpet, therefore the collection is no longer required.
