Thanks Jean, much appreciated. I've now confirmed the appointment for Monday 20th Jan.

If it's only local, I'm sure the fitters won't mind dropping the uplifted carpet round to your Neice's parents house once they've finished. I'll discuss it with them beforehand, but in the meantime, please can you send me the address & your Neice's contact number, so I can add the details to the fitter's worksheet instructions
Many thanks

Good afternoon Jean & Happy New Year to you

I'm sorry to mess you around, but could we install the new Drawing room carpet on Monday 20th January, instead of Tuesday 21st Jan please? One of the fitting team has informed me this morning that he's unable to work on Tues 21st due to a personal matter.

I look forward to hearing if Monday 20th Jan works for you?
Many thanks
Nigel
