Hi Chas,

The 30m x 5.00m roll & 17.50 x 5.00m part roll of this carpet that came in from Abingdon Flooring with the Order No. "R1971617" are to be split across these 2 orders (R19717 & R19716)

Although the 2 houses are next door to each other & principally the same layout they are handed versions of each other (i.e a mirror image of each other) therefore, please can you ensure that the fitter gets the correct set of cutting plans as the shaped rooms are the opposite way round for each property

Many thanks
Nige
