

S27579 Williamson

Billy 11th November 2016-10-19. Must be 1st call between 8-8:30 as customer is waiting for you before she goes to work.

Attend to:

- W1 loose on riser
- Bottom stair on loft flight loose on riser
- Bathroom step loose on either side where carpet is turned against gripper.
- Tidy up various loose stairs on 1st flight. Carpet is especially loose on turn at banister side.

Walk job with customer when you are finished and make sure she is happy with what you have done.
