Alan – any problems check with me please

This is for Ian Rostron's ex wife (Halebourne)

Please look after her and make sure all ok before leaving.

We are fitting it in 2 parts so that Debbie can move the small items of furniture etc and uplift the old carpets.

Part 1

Fit Lounge, beds 2, 4, 5, HSL & WC

The lounge is definitely on existing underlay.

HSL & WC and bedroom 4 is NEW UNDERLAY

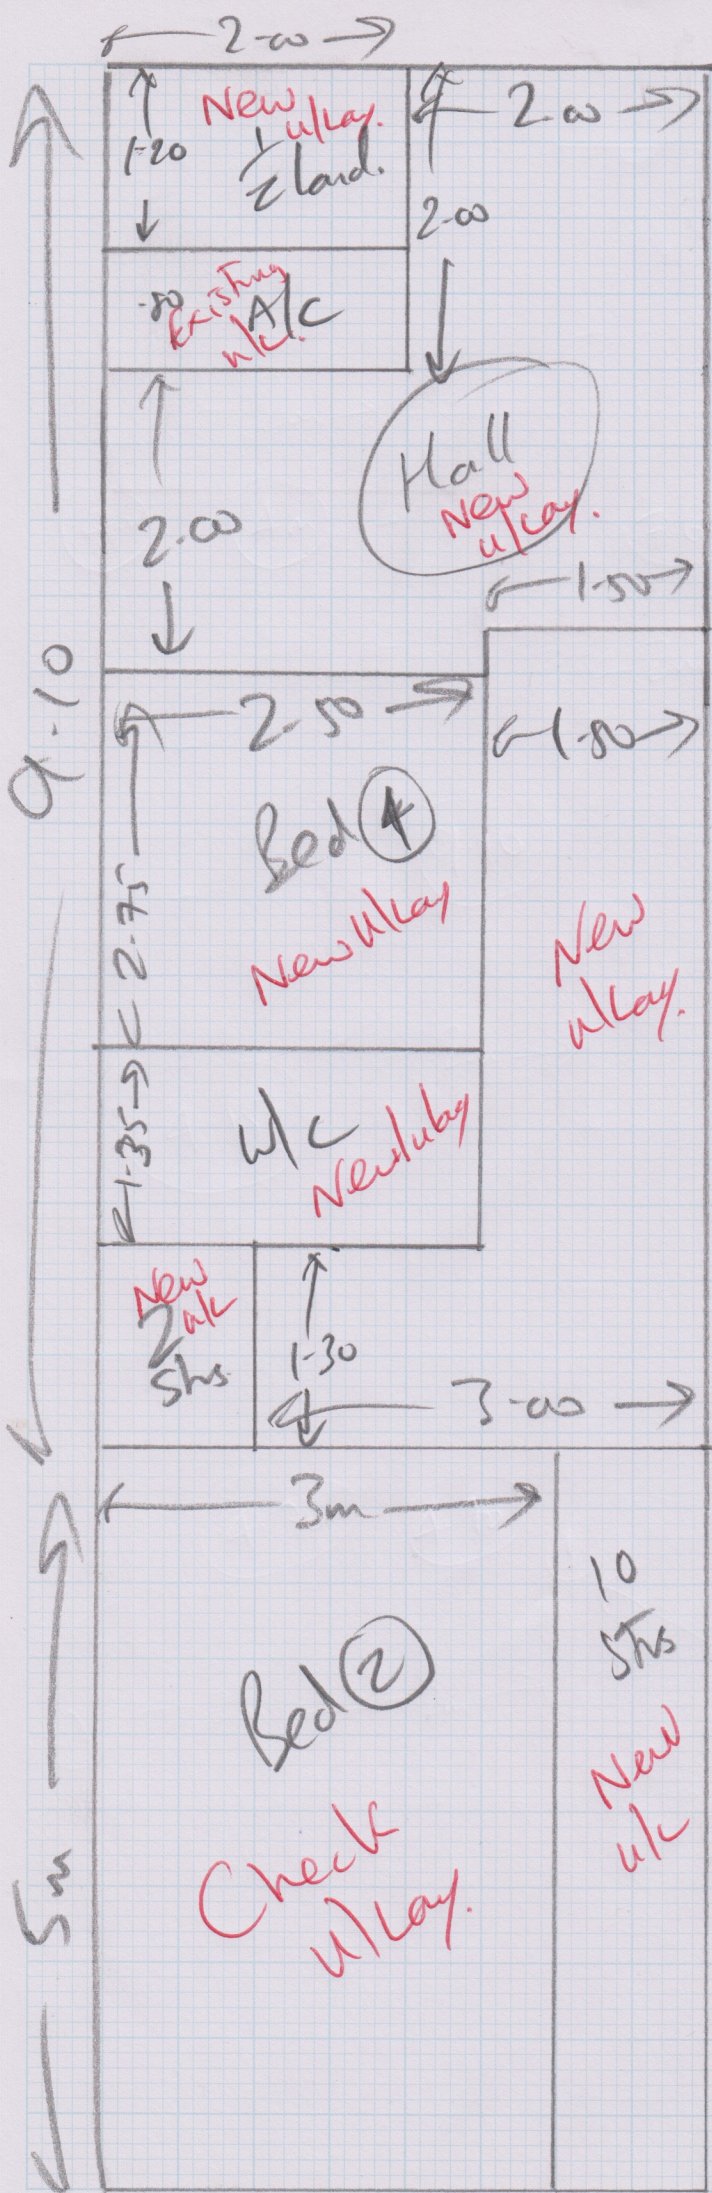

Beds 2 & 5 I have given you underlay in case it is needed but please check the condition of the existing underlay. If it is in good condition do not replace. If you think it is worn out or nearly worn out please talk to Debbie and ask her if she wants it replaced as this is an extra cost.
